Dear Tribal Energy Community,

We are pleased to announce the Northwest Tribal Energy Conference and Training that will feature cutting edge energy development topics. This is an exciting time for tribal energy development; many of the northwest tribes are already leaders in the energy industry. Our goal is to build on past success by offering the latest updates on energy policy, renewable resources, funding updates and business development that will continue to strengthen our network for northwest tribal energy development.

The conference dates are June 6-9, 2010 and you will travel to the beautiful Kah-Nee-Tah High Desert Resort and Casino in Oregon. The host Tribe invites you to bring your family out early to spend the weekend rafting, swimming, and golfing in the sunshine of central Oregon. Call 800-554-4786 for room reservations and ask for the "Tribal Energy" \$80 rate. (www.kahneetah.com)

We are targeting tribal council, tribal staff, native students and key consultants eager to learn how to move to the next phase of tribal energy development. We have partnerships with energy experts, non-profits, universities and funding resources that will update participants on new technology, conservation/energy efficiency strategies and more. We welcome our national partner, the National Renewable Energy Lab and thank the Confederated Tribe of the Warm Springs Indian Reservation for hosting this event.

We invite your sponsorship and below are the benefits:

- Interaction and personal contacts with over 300 representatives of the Northwest's most progressive tribes,
- Public Relations: Your logo, name and byline in the conference program and listed on the ATNI website.
- A focused organized convening that will facilitate new business while respecting the environment and native values. A longhouse dinner of traditional foods, along with a networking golf tournament and a site visit to the Warm Springs Power Enterprises to witness hydro power in action!

Sponsorship levels range from \$1,000 to \$10,000. Please see attached sponsorship package for benefits. We appreciate your continued support and investment into ATNI.
